EXCEL N

THE FEELGOOD FACTOR

The Excel N slides are the ideal solution for those who want a hidden slide under the drawer.

The wide range always offers the most suitable model for your needs, with various sizes (from 250 to 550 mm) and two different drawer fixing systems: with pin (Plug-In) or with handle (Easy-Fix).

All Excel N slides feature an automatic closing device and are available in full extension version. **The SlowMotion and OneTouch technologies add extra functionality to the drawer without requiring any modifications to the holes.**
